

PABI June 2014 General Membership Luncheon Bayou Barriere Golf Club

The June 2014 PABI General Membership luncheon was held at Bayou Barriere Golf Club. Peter Ricchiuti, business school professor on the financial markets at Tulane University's A.B. Freeman School of Business who has twice been named the school's top professor, was the keynote speaker. Peter started his career with the investment firm of Kidder Peabody and later managed over three billion dollars as the assistant treasurer for the state of Louisiana. In 1993 he founded Tulane's highly acclaimed [BURKENROAD REPORTS](#) stock research program. Mr. Ricchiuti took the time to dispel several common myths about the current state of the economy. He explained that the approach taken by the Obama administration after the downturn of 2008 was the exact opposite of the one that followed the stock market crash of 1929. "First off, we are definitely not heading into another great depression," Ricchiuti began. **Thanks to the Corporate Sponsor of the Month, Cossich, Sumich, Parsiola and Taylor LLC law firm.** There was a record attendance to hear Mr. Ricchiuti.
