

PABI May 2015 Networking/Social Meeting and Boat Tour Venice Marina

The May 2015 PABI Networking/Social meeting was held at CrawGator's Bar & Grill at Venice Marina. Prior to the event, several PABI Members and guests were treated to a waterside tour of the Venice Port Complex aboard the Plaquemines Port, Harbor & Terminal District's "Authority II" Vessel. The tour was very informative and a fun time for those in attendance. Thanks to the Plaquemines Port, Harbor & Terminal District and the Venice Port Complex for conducting the tour. Following the tour, everyone enjoyed delicious seafood dishes, a beautiful view and great conversation. PABI Chairwoman Denise Buford spoke briefly about the boat tour and thanked everyone for attending. **Thank you to our Corporate Sponsor, Venice Marina.**
