"With us, it's personal"

Plaquemines Pharmacy offers everything the big chain pharmacies have: cough and cold products, first aid, vitamin supplements, feminine products, antacids and laxatives. We also have candles, greeting cards, reading glasses, and therapeutic bath salts and bath oils. We even have milk and bread.

What we offer at Plaquemines Pharmacy that you get nowhere else is TIME. We take the time to talk to you and answer any questions you may have about your medicine or any other health related concerns.

Thanks,
Jeff DiMarco
