The PABI Annual Legislative Re-Cap Dinner was held on Tuesday, June 16, 2015 at Boomtown Casino. PABI members received a review of the 2015 Legislative Session from Senate President John Alario, Jr., Senator A.G. Crowe, Senator David Heitmeier and Representative Chris Leopold. The Legislators shared their thoughts on the state budget cuts and capitol projects funded for Plaquemines Parish, with Senate President Alario stating that it was “probably the toughest session I’ve seen in 44 years.” PABI Chairwoman Denise Buford spoke briefly to welcome everyone and PABI Governmental Affairs Chairman Dale Benoit introduced the legislators. **Thank you to our Corporate Sponsor, Boomtown Casino.**
